MARKET OUTLOOK

Sugar again got significant losses following the weak movement. The news are scarce from bullish and bearish side. The deficit is real but it was overpriced, what left sugar sensitive to financial market and the currencies volatility. Today despite the dollar weakening commodities works downside too CCI -0,59% with the release of negative data's from American economy, the jobless claims were expected at 460 thousand and the number were bigger 491 thousands. This way raw settled 66 points under and refined -\$12,00 both on May contract.
